

Building the Future Together

Why “Your Balís Concession 2026: Building the Future Together”?

The 2026 Concession is our mission: to ensure that Port Balís remains under the management of our club. Imagine if your home’s lease ended in 2026—would you invest in a major renovation? Securing this concession is the **essential first step**, allowing us to make future-focused decisions that benefit generations to come. **Together, we can shape our port’s future** by enhancing our facilities, digitizing operations, and enriching the spaces we all enjoy. Right now, we’re dedicated to this critical goal, grounded in the continuous improvement that has guided us for over **60 years**.

Our team has been **preparing for this challenge for more than a decade**. Twelve years ago, under the leadership of Jordi Parés, we began building the expertise, connections, and relationships needed to face this pivotal moment confidently. **We’re ready to keep El Balís in the hands of its members**.

What keeps us moving is to pass down what we have cherished to those who come after us.

Why “Building the Future Together”?

Our **concession proposal** focuses on **core pillars**: sports, community, infrastructure, maintenance, and sustainability. But shaping the Balís of tomorrow will be a collective endeavor. Once we secure the concession, we’ll launch a participatory process where **every member can contribute** to defining the spaces and purpose of Port Balís and its clubhouse. This candidacy **brings together experienced leaders and fresh perspectives** from new members—ensuring a balanced, forward-looking vision.

This **Saturday, November 16**, we have a **unique opportunity** to shape the future of Club Nàutic El Balís. Let’s ensure that this cherished place remains a **legacy for generations to come**. If you share our passion for El Balís and want to help secure its future, **join us and vote for Your Balís Concession 2026**. Let’s make history together!
